### Research Interests and Skills

- Active research on sociolegal causes of community gun interest (personal research), implications of mixed methods case selection (Prof. Sykes), carceral effects on system inclusion and community deprivation (with Prof. Sykes), heterogeneity in desire for police service (with Prof. Kubrin), and the sociology of forensic statistics and lab practice (Prof. Cole)
- Experience with community research, participant observation, and semi-structured interviews
- Analytic and software skills:
  - **Stata** (via UCI coursework and research)
  - **Python** ([via MITx](#) and professional experience)
  - **SQL** (via professional experience in conjunction with Python)
  - **R** ([via HarvardX](#) and research)
  - **GitHub** (via [personal site](#) and professional experience)

### Professional Experience

#### Data Analyst at Komodo Tech, Cambridge, MA

**2018**

- Used Python, SQL, Github, and Unix to clean, merge, and analyze large signal datasets

#### Consultant at Endeavour Partners, Cambridge, MA

**2014-2018**

- Led capital investment and cellular data consumption simulations
- Developed NASA centennial strategy focus on public-private partnerships (SpaceX)
